# Evolution

## **Y6**

In the beginning there was miasma...  
And a soupy sort of plasma...  
And from this phantasma...  
There came life!

And while its bed was hot and steaming...  
With its birth pangs it was screaming...  
The primeval slime was teeming...  
With life!

## *Chorus*

### **Y6**

Evolution! Evolution!  
Is it just a chemical solution?  
Change, mutate and blend,  
Make and match and mend,  
Where's it going to end?  
Evolution!

**Group 2:** So an amoeba started breathing...  
With its troubles merely teething...  
For soon the world was seething...  
With life!

**Group 1:** And that's how scientists surmised it...  
'Til Charles Darwin analysed it...  
And then he theorised it...  
Into life!

*Chorus:* **All:** Evolution! Evolution!  
Is it just a chemical solution?  
Change, mutate and blend,  
Make and match and mend,  
Where's it going to end?  
Evolution!

## **Year 6**

In time along came a puny creature,  
Standing upright was its feature,  
It developed into a teacher!

**All:** What a life!

Evolution! (ah ah) Evolution! (Ah ah)

Always been a hotbed of confusion!

(Ah ah ah, ah ah,)

Once an open door, (ah ah)

Promising much more, (ah ah)

Now it's hit the floor!

Evolution!

## TWO CREATIONS

**CHARLES:** TWO CREATIONS FIGURING IT OUT WITH EACH OTHER.  
TWO CREATIONS NEVER NEED TO DOUBT ONE ANOTHER.  
BREAKING FROM THE BINDINGS,  
HOLDING BACK OUR HEARTS,  
SHARING ALL OUR FINDINGS,  
THAT'S WHERE FREEDOM STARTS.

**EMMA:** TWO CREATIONS, BOTH OF THEM DECIDE  
ON OUR STORY.  
TWO CREATIONS, SHINING STARS PROVIDE  
IN THEIR GLORY.  
FROM A SPARK OF PASSION,  
FROM OUT OF THE BLUE,  
MIRACLES CAN HAPPEN,  
WONDERS CAN COME TRUE.

**EMMA<sup>s</sup> AND CHARLES<sup>es</sup>:** TWO CREATIONS, TWO NARRATIONS  
EXPLANATIONS COULD PREVAIL.  
INCLINATIONS, SPECULATIONS,  
VARIATIONS OF OUR TALE.  
TIME WILL FLY FOR YOU AND I  
AS WE BOTH DIE OR DO.  
TWO CREATIONS WILL HAVE TO GET US THROUGH.

THERE'S A THEORY AND A LIGHT ABOVE  
GROWING BRIGHTER.  
WHEN YOU'RE NEAR ME BOTH FEEL REAL ENOUGH,  
EVER LIGHTER.

**EMMA:** THERE FOR MAKING SENSE FROM SORROW,  
SHOWING WHY THINGS ARE,

**EMMA AND CHARLES:** PROMISING TOMORROW,  
HOPE IS NEVER FAR  
FROM YOUR GUIDING STAR.

**ALL:** TWO CREATIONS, TWO NARRATIONS  
EXPLANATIONS COULD PREVAIL.  
INCLINATIONS, SPECULATIONS,  
VARIATIONS OF OUR TALE.  
TIME WILL FLY FOR YOU AND I  
AS WE BOTH DIE OR DO.

**EMMA AND CHARLES:** TWO CREATIONS, JUST US TWO CREATIONS,  
WILL HAVE TO GET US THROUGH.

## THE GROOVE OF EVOLUTION

**Jo:** It started with a whole lotta' heat  
To make the earth and lay down a beat.  
Small animals without any feet,  
They came to life to hunt and feast,  
Changing to another beast,

**Jo:**  
Crawling from the sea on their fins;  
Some of them grew hair on their skins.  
There the history begins:

Furry mammals getting hands,  
Spreading out across the lands,

**Y5 :** (Hey!)

**Jo & co:** They got up on their toes,

**Y5:** (Huh!)

**Jo & co :** They got a longer nose,

**Y5:** (Ugh!)

**Jo & co:** They got a chance, and rose,

**Y5:** (Hoo!)

**Y5:**  
Challenging the changing rules,  
All the molecules, all of nature's tools  
In the groove of evolution.  
Movin' the groove of evolution,  
Smoothin' the groove of evolution,  
Usin' the groove of evolution.  
Yeah yeah, yeah yeah,

**Jo & co:** Woah! Who knows what will be next?  
Maybe we won't have to speak,  
Maybe we'll just use text;  
Everyone attached to a phone  
Like a dog who has a bone  
He can never leave alone.

**Y5:** (Hey!)

**Jo & co:** Some making more machines,

**Y5:** (Huh!)

**Jo & co:** Some making more vaccines,

**Y5:** (Ugh!)

**Jo & co:** Some making magazines,

**Y5:** (Hoo!)

**Y5:** Challenging the changing rules,  
All the molecules, all of nature's tools  
In the groove of evolution.

**All:**

*(Years 3,4 & 5 melody/Year 6 harmony)*

Movin' the groove of evolution,  
Smoothin' the groove of evolution,  
Usin' the groove of evolution.  
Yeah yeah, yeah yeah, hoo!

**Jo & co:** Mmm, they got up on their toes,  
They got a longer nose,  
They got a chance, and rose,

**All:** The groove of evolution.

**Jo & co:** Some making more machines,  
Some making more vaccines,

**All:** The groove of evolution.

**Jo & co:** All the creatures came,  
Dancing to the same

**All:** Groove of evolution.

**Jo & co:** All the creatures came,  
Dancing to the same

**All:** Groove of evolution!

## BETTER THAN A DOG

**Boys:** YOU'RE IN A DILEMMA  
YOU ALONE CAN FIX:  
YOU THINK THAT YOUR EMMA  
TOPS THOSE OTHER CHICKS.

IF IT'S TRUE THEN GOOD FOR YOU, FRIEND.  
SHE IS QUITE A CATCH  
WHO'S GOT THE ITCH TO TIE THE HITCH.

*(spoken)* YOU MAKE A MARVELLOUS MATCH!

**Girls** LISTEN TO US EMMA.  
GIRL, YOU GOT IT BAD!

HOW YOU AND PINE AND DAYDREAM  
FOR THAT CLEVER LAD.

YOU'RE IN LOVE AND *(spoken)* HE IS CUTE!

*(spoken)* HE'D MAKE THE SWEETEST PET!

JUST PAT HIS HEAD AND KEEP HIM FED TO  
KEEP AWAY THE VET!

**Boys:** GEE, DOES IT REALLY MATTER  
SHE'D BE THE PERFECT PARTNER?  
SHE WILL BE BETTER THAN A DOG ANYHOW.

**Girls:** GEE, DOES IT REALLY MATTER  
HE IS THE MADDEST HATTER?  
HE WILL BE BETTER THAN A DOG ANYHOW.

KEEP HIM ON A TIGHT LEASH;

**EMMA:** I DON'T THINK THAT'S WISE.

**Boys:** FRIEND, YOU'VE FOUND THE RIGHT NICHE;

**CHARLES:** *(spoken)* THERE'RE SO MANY TIES!

**Boys:** CHIN UP CHAP!  
YOU'D BETTER SNAP OUT  
OF THIS DISMAL DAZE.  
'CAUSE LIVING LIFE AS MAN AND WIFE  
IS FUN IN MANY WAYS.

**Boys:** GEE, DOES IT REALLY MATTER  
SHE'D BE THE PERFECT PARTNER?  
SHE WILL BE BETTER THAN A DOG ANYHOW.

**Girls:** GEE, DOES IT REALLY MATTER  
HE IS THE MADDEST HATTER?  
HE WILL BE BETTER THAN A DOG ANYHOW.

*(spoken)* SIT! STAY! FETCH! ROLL OVER!  
COME HERE, BOY?

**EMMA:** WUFF! WUFF!

**CHARLES:** WOOF! WOOF!

**Boys:** COME ON, GIRL!  
SIT! STAY! FETCH! ROLL OVER!

**ALL EXCEPT  
EMMA**

**AND CHARLES:** (*sung*) YOU WILL BE BETTER THAN A DOG - A-NY-HOW!

## LIFE WILL FIND A WAY

**Girls:** SEASONS, THEY DON'T MATTER NOW;  
SUMMER SUN, WINTER RAIN, SOON TO BE ALL THE SAME.  
REASONS, THEY DON'T MATTER NOW;  
DON'T LOOK BACK, TURN AROUND, START AGAIN.  
OH, AND THINK OF THIS:  
WHAT IF WE COULD GET THE PAIN TO STOP?

**Boys:** PLACES, THEY DON'T MATTER NOW;  
NORTH TO SOUTH, EAST TO WEST,  
STOP THE FIGHT, LET IT REST.  
FACES, THEY DON'T MATTER NOW;  
BLACK AND WHITE REUNITE, START AGAIN.  
OH, AND THINK OF THIS:  
THERE'RE SO MANY WAYS TO RIGHT THE WRONG.

**ALL:** AH

**Boys:** THERE'S A FUTURE IF WE GET ALONG -  
LIFE WILL GO ON.

**ALL:** I GOT A FAITH RIGHT HERE, RIGHT NOW,  
I KNOW IN TIME SOMEWHERE, SOMEHOW,  
LIFE WILL FIND A WAY,  
LIFE WILL FIND A WAY.

STILL GOT A HOPE, STILL GOT A DREAM,  
STILL GOT A FEELING TELLING ME  
LIFE WILL FIND A WAY,  
LIFE WILL FIND A WAY.

STILL TIME TO MAKE IT BETTER,  
STILL TIME TO PULL TOGETHER.  
HIGH TIME - IT'S NOW OR NEVER,  
LET'S MAKE IT LAST FOREVER.  
SOMETHING WE CAN BELIEVE IN,  
SOMEONE WE CAN HOLD ON TO,  
SO LONG AS THERE IS ALWAYS LOVE.  
YEAH, YEAH, YEAH.

LIFE WILL FIND A WAY.

I GOT A FAITH RIGHT HERE, RIGHT NOW,  
I KNOW IN TIME SOMEWHERE, SOMEHOW,  
LIFE WILL FIND A WAY,  
LIFE WILL FIND A WAY.

STILL GOT A HOPE, STILL GOT A DREAM,  
STILL GOT A FEELING TELLING ME  
LIFE WILL FIND A WAY,  
LIFE WILL FIND A WAY.

## NOTHING BEATS BEING YOU

**ALL:** HOO! YAH BE YAH!  
HOO! YAH BE YAH!  
HOO! YAH BE YAH!

YOU CAN WALK YOUR WALK,  
YOU CAN TALK YOUR TALK,  
DOING WHAT YOU DO.  
YOU CAN LOVE IT TOO.

WHY BE DISGUISED IN THE WILDERNESS  
WHEN DEEP INSIDE YOU'RE MUCH MORE THAN THIS?

YOU CAN TAKE A FLIGHT  
THROUGH THE DAY OR NIGHT,  
SWIM AGAINST THE TIDE;  
SHOW A BETTER SIDE.  
WHY SHOULD YOU LIE THROUGH A POKER FACE  
WHEN YOU CAN SMILE AND STEP UP THE PACE?

SO TAKE A DEEP BREATH IN,  
SHED YOUR SKIN.  
THE TIME FOR PRETENDING, DEFENDING, IS ENDING.

**Fuegians:** HOO! YAH BE YAH!

**ALL:** DON'T BE WASTING TIME WHEN WE CAN SHOW  
THERE'S A WAY IN, EVERYONE CAN GO  
HAND IN HAND WITH SOMEONE THEY ONCE KNEW.  
UNDERSTAND THAT NOTHING BEATS BEING YOU.  
NOTHING BEATS BEING YOU OO OO.

NEVER RUN AWAY  
FROM YOUR D.N.A.  
ANY GENE CAN STAY  
OR COME OUT AND PLAY.

VARIETY IS THE SPICE OF LIFE,  
FAR MORE THAN BEING THE SHARPEST KNIFE.  
SO TAKE A DEEP BREATH IN,  
SHED YOUR SKIN.  
THE TIME FOR PRETENDING, DEFENDING, IS ENDING.

**ALL:** DON'T BE WASTING TIME WHEN WE CAN SHOW  
THERE'S A WAY IN, EVERYONE CAN GO  
HAND IN HAND WITH SOMEONE THEY ONCE KNEW.  
UNDERSTAND THAT NOTHING BEATS BEING YOU.

NOTHING BEATS BEING YOU OO OO

BEING YOU BRINGS YOU SOME PEACE OF MIND;  
BEING YOU MAKES YOU ONE OF A KIND  
WHO OTHERS WANT TO FIND.

**EVO:**                    *(spoken)* YOU KNOW, NOBODY CAN BE LIKE YOU LIKE YOU, SO - BE YOU!

**Fuegians:**            HOO! YAH BE YAH!

DON'T BE WASTING TIME WHEN WE CAN SHOW  
THERE'S A WAY IN, EVERYONE CAN GO  
HAND IN HAND WITH SOMEONE THEY ONCE KNEW.  
UNDERSTAND THAT NOTHING BEATS BEING YOU.

**Fuegians:**

HOO! YAH BE YAH!

HOO! YAH BE YAH! HOO! YAH BE YAH!

HOO! YAH BE YAH! HOO! YAH BE YAH!

HOO! YAH BE YAH! HOO! YAH BE YAH!

**ALL OTHERS**

NOTHING BEATS BEING YOU OO OO.

NOTHING BEATS BEING YOU.

NOTHING BEATS BEING YOU OO OO.

NOTHING BEATS, NOTHING BEATS, NOTHING BEATS,  
BEING YOU!

**ALL:** HOO! YAH BE YAH!
