

Home Learning

12/10/18

Dear Parents,

In Phonics this week, our learning has included the *ou*, *ea* and *ie* digraphs and the high frequency words *they*, *you* and *was*.

The children have had fun making silly sentences this week with the new graphemes.

Home learning tasks this week:

Step 1 - Practise writing the new sounds making up silly sentences!

EG The pie wore a tie

Super Challenge:

Can you make up some new words using *ue*, *ea* or *ie*?

Thank you for supporting your child with their learning.

Please do not hesitate to come and speak to me if you have any questions about any of the above.

Many Thanks,

Mrs Taylor
