Christmas Tree Festival – St Mary’s Church, Newick Friday 7th December – Sunday 9th December 2018

Dear Parents and Carers,

I am writing to you regarding the Christmas Tree Festival taking place in St Mary’s Church, Newick from next Friday 7th December until Sunday 9th December.

Many different organisations and even some roads in Newick are participating in this lovely community event. As a school, we will be taking part in the Festival as we have done for the last two years so we would like every child to make a Christmas tree decoration as part of our whole school entry.

Each decoration should be no larger than a standard bauble size. We would like each child to make a decoration out of card or paper – whatever you have to hand but not out of a heavy material as the Christmas tree branches need to be able to hold the decoration easily. Please also ensure there is some ribbon or string to tie the decoration on to the tree.

We do hope that we can get as many decorations as possible. If you could please ensure that the decoration is in school by Wednesday 5th December then we will be able to assemble the tree by Friday 7th December. Once the tree comes down in the church on Monday 10th December, we shall aim to bring it back to school. Please be aware that we will do our best to ensure the decorations remain in one piece but cannot guarantee this!

May I thank you in advance for your child’s participation in this lovely event, especially as I appreciate it is a very busy time for everyone.

Yours sincerely,

Mrs S Thomas
