Usage and impact

Amount Spent	Usage	Impact April 2017	Sustainability
£1,173.94	Purchase of new PE equipment such as footballs, tennis balls and nets, foam javelins, hurdles, sports kits etc.	Teachers are better equipped to teach high quality PE lessons with the right equipment.	The right equipment, used properly, will last a good number of years before needing to be replaced.
£1,449.24	Ball Skills Afterschool Club run by a qualified Sports Coach with years 5 and 6	Improved ball skills across various sports such as football, rugby and cricket	Having specialist sports coaches means that the children are being taught lifelong sports skills which they can take beyond primary school level.
£280.00	Afterschool Hockey Club run by qualified Sports Coach with years 5 and 6	Improved ability in Hockey of children in Year 5 and 6. Introducing additional sport into the school.	
£344.44	Sports Coach to take pupils to offsite tournaments	More children confident to participate in competitions Improved results in tournaments. Wider access to sport.	
£5717.38	Installation of artificial grass play area	To increase access to sport and play areas in all weather.	Children will be able to have wider access to play areas all year round.
